A Little Bit Of Disturbance

👁 17 ✓ 0 ★ 1

Chapter 1 by Maxwell White

Light the candle, my dear child,
Don't be afraid of the dark,
And in the time you will find,
The darkness from the dreams to your heart...

Let your sorrow fill your soul,
As you travel through despair.
And watch as the world you lovingly created,
Fall before you very eyes.

But remember the candle you hold so tight,
For they are your dreams and love you hold.
That will carry you though the night.

But please remember what you have endured,
As even the most evil places can teach.
Remember your light is your guide

Even though others don't want to play hide and seek

hide an abandoned house/care-home which our main character is investigating the building after loosing to a dare.

Remember, you can incorporate the rime into the story in anyway you think could send shivers down anyone's spine. Weather the character may make some friends along the way (even with some of the poltergeists) is entirely up to you.

ENJOY AND GET SPOOPY!!!!!!
